## **Update Possible Murder/Suicide**

On April 27, 2010, at 1241 hours, Officers from the Oceanside Police Department responded to 2464 Fire Mountain reference a check the welfare. The caller reported the victim had not shown up for work and felt there was something wrong. Officers ultimately made entry into the location and found two people deceased. The preliminary investigation indicates this was a murder/suicide. Robbery/Homicide has been called to the scene and the investigation is ongoing.

Update: Through the course of the investigation it was learned a male and female believed to be in their sixties were found deceased inside the residence. Both individuals appear to have suffered gunshot wounds. Their names are being withheld pending notification to the next of kin by the Medical Examiner's Office. The exact cause of death will be determined by the Medical Examiner following the autopsy. There were firearms located inside the residence and in close proximity to the deceased. We have no motive at this time and we have no reason to believe there are any outstanding suspects.
