Oceanside Police Investigate Homicide

Oceanside Police officers were called to an address this morning to cover the Fire Department on a subject down in a parking lot. When public safety personnel arrived on the scene, they found the man deceased.

July 13, 2009..... Oceanside California, at approximately 2:33am, the police communications center was contacted by a reporting party at 118 S. Pacific Street in Oceanside. The caller was reporting a man down in the parking lot of the apartment complex. Fire and Police personnel responded to the scene and found the man deceased from apparent wounds to the torso area.

The deceased male is described as a white male in his early twenties with a last known address in Vista, California.

Investigators are still on the scene of the incident and additional information will be released when it is available.
