NATIONAL NIGHT OUT

The Oceanside Police Department in conjunction with the Oceanside Parks and Recreation Department will be hosting "National Night Out" on Tuesday August 03, 2010.

This year as in the past, the Oceanside Police Crime Prevention Unit will be coordinating National Night Out. National Night Out will be celebrated in cities across the country to enhance the relationship between the Community and the Police. It provides networking and communications between neighbors to increase community participation, and shows that the police and community are united against crime.

There will be designated event locations at Joe Balderrama Recreation Center, Libby Lake Park, and the Mottino Family YMCA.

All Homeowner Associations and Neighborhood Watch groups throughout the city are encouraged to coordinate their own events. For those groups that register with the Crime Prevention Unit, law enforcement representatives will travel throughout the city to pay them a visit.

Please contact Crime Prevention prior to July 27, 2010 to register at (760) 435-4543 or email: dfish@ci.oceanside.ca.us

Please join us in "Taking it to the Streets" to enhance public safety and increase community participation. Additionally, we encourage residents to turn on their porch lights to show support for National Night Out.
